- . Gift shop, logo wear and accessories.
- . Gun rental semiautomatic 20 gauges. Special request for O/U and other gauges.
- . Professional hunting guides and field assistant.
- . Comfortable vehicles and boats.

## THE SHOOTING

San Javier is considered a dream for water fowlers. The Parana River is one of the longest from the world, and it is surrounded for millions of little islands that are just the right place for duck breeding. The San Javier River and all the islands formation are amazing for duck hunting Argentina. The Pilaga Island is very famous for the amazing number of ducks of many species that come every year. The 50 square mile radius (129 km<sup>2</sup>) around the shooting area form one of the most amazing duck shooting reserves.

Northern from the lodge, average 50 miles driving there is a couple of great roosting areas for doves, and fields with natural grass have a great population of perdiz. Our location is annually inhabited by over 15.000.000 million ducks during the season. People and outfitters talk about a population of 20.000.000 doves. Our Company counts on 33 different shooting fields throughout all the region's.

The Ducks Program starts around 6:00 am with a hearty breakfast. Around 6:45 am we take a short drive by boat to the shooting field. Schedules change depending on the time of the year in between 20 to 40 minutes. After the morning shoot, we can back to the lodge for lunch and siesta. In the afternoon, we depart like 3:30 pm for the evening duck shooting season.

The Perdiz & Dove Program starts around 7:00 am with a hearty breakfast. Around 8:00 am we take a 45 to 60 minutes drive to the shooting field. We arrive at great schedule for the Perdiz shooting in the morning. We have lunch at the field in a nice tent like Cordoba Style with Gaucho Barbecue. In the afternoon, we will shoot doves when they come back to the roosting are. Schedules may change depending on the time of the year.

In the dove field you will be assigned a personal field assistant, who will provide you with shells, guns and soft drinks in your shooting spot. This field assistant will prepare your blind, count your birds and shells, and carry some stools to the field for you.

In the perdiz field, you and another shooter will be assigned a personal field guide and a dog. This guide will take both of you and let you know every time your dog points a bird.

## HUNTING QUESTIONNAIRE

Gun information and serial numbers **MUST BE** legible and accurate in the shooting questionnaire. The "Questionnaire document" will be sent to Argentinean Customs for gun permits and hunting licenses.

Photocopy of Passport ID.-This must clearly show your name, passport number, and passport issue and expiration dates. Processing firearm permits takes time so please return your questionnaire promptly. Your cooperation is appreciated.

**A VALID PASSPORT** is required to enter Argentina. Your passport should have at least (6) six months validity before expiration date. No visa is needed for U.S. citizens or European Community members. Citizens from other countries should check entry requirements with the Argentine Embassy.

## RECEPTION AT THE LOCAL AIRPORT – SANTA FE

A representative from our Company will be waiting for you at Santa Fe airport (or San Justo airport if it is a private charter) to assist you upon your arrival. Immediately we will drive you and your group directly to the Lodge.

A guide or a representative from our Company will be waiting for you and/or your group. They will offer you some drinks and they will let you know about the shooting schedule for the day. Then, it will take around an hour and a half drive to the site.

In your arrival to the country, at the international airport (EZE or COR), in case you bring your own guns, we will offer and suggest your group a personal assistant to help with all the paperwork on your arrival and departure to the country. At Buenos Aires airport, or other international airports, you are able to request this service, but please check prices beforehand.

## ENTRY REQUEST FEE - TAX ON ARRIVALS TO THE COUNTRY

Starting September 1st 2012, any passenger visiting Argentina with an American, Canadian or Australian passport will be required to pay in advance a Reciprocity Fee via online.

The new system will work parallel to the regular collection service performed at Ezeiza Airport until December 28th 2012 and at Jorge Newbery Airport until October 31st 2012. After the dates previously mentioned, the only method of collection will be online.

American, Canadian and Australian passport holders visiting Argentina will be required to pay the Reciprocity Fee online at the following site: <https://virtual.provinciapagos.com.ar/ArgentineTaxes/>. Passengers must register and pay by Credit Card. Once the payment is received, an electronic receipt is issued and the passenger will be asked to present a printed copy of it upon arrival in Argentina.

When entering the Argentine Territory, nationals of the following countries must pay a "Reciprocity Fee" as stated below:

• **American:** USD 160.- / • **Canadian:** USD 70. / • **Australian:** USD 100.-

The lack of such proof of payment will generate the denial of entry of the passenger and consequent returning of the passenger to his/her departure city by the airline. We strongly urge passengers to take the necessary precautions so that those passengers who travel to the mentioned airports with a scheduled arrival starting on November 1st 2012 (Jorge Newbery) and December 29th 2012 (Ezeiza) have the electronic receipt with them.

The payment of this "Reciprocity Fee" is not a Visa since Argentina does not require Visa to the nationals of the mentioned countries when traveling for tourism or business purposes. The Argentine Government has set this entry fee on equal amounts to those Argentine citizens must pay when requesting a Visa to travel to those countries.

The Argentine National Immigration Directorate (DNM) has launched a new online method of payment for the Reciprocity Fee via credit card. Travelers should now pay this fee through the Provincia Pagos payment system.

US, Australian and Canadian citizens can pay the Reciprocity Fee before entering Argentina by accessing the following websites:

[www.provinciapagos.com.ar](http://www.provinciapagos.com.ar)

[www.migraciones.gov.ar](http://www.migraciones.gov.ar)

## TRAVEL AGENCY

We work closely with a partner travel agency that has a wide depth of knowledge and experience of travel opportunities throughout the country and that would be delighted to provide you with a Concierge Service during your stay. Feel free to contact us once you have booked your international flights so that we can arrange your domestic flights, book your hotel or help you with anything else you may wish to do once you arrive.

## GUNS

Please note Argentina is currently modifying the process to bring guns into the country. They will be requiring a consulate letter for anybody who brings a gun into the country. The process to obtain this consulate letter is unfortunately not clear. If this is your first time bringing a gun into the country, please note you will not have a problem. You are allowed one entry without the consulate letter. If you have brought a gun in the past, you will need to write an email to the consulate to see what is required. Below is a list of the consulates and their email addresses. Please note that consulates outside the US and Canada are still unaware of this issue. If you are from outside the US and Canada and have brought a gun in the past, we strongly recommend not bringing your firearm on this trip.

We are very sorry for this inconvenience. We are working on a long-term solution with the government. Basically we are negotiating so that clients can mail in a form and receive the consulate letter without leaving their home. It should be implemented soon, but in the meantime we wanted to provide you with this warning. We are informing all clients arriving in 2014 about this change. We are holding off on recommending this to our 2015 clients because we hope to have more clarity on the situation shortly.

This is a key issue when you plan a trip to South America. Remember airlines normally make a hassle when it is about guns. You should know that your guns can be delay in Panama, Peru or Chile if there is a complication with your connections.

If your final destination is Buenos Aires or Cordoba, and you are thinking of flying with American Airlines, please be informed that they will not allow you to travel with guns. If you decide to bring your own guns remember that you will have to pay a fee to our government.-

Guns must be declared and gun permits must be purchased on arrival in Argentina. Permits may be purchased at the international airport on arrival and a fee is paid directly to the National Police Authority.

At international airports you are required to pay cash USD 140 per gun.

We strongly suggest that you do not bring your personal guns unless you plan to enter and exit Argentina via the same airport/route.

Please be aware that for guns with interchangeable/extra sets of barrels each barrel/barrel set will be charged as a separate gun.

Fees are subject to change without notice.

The information on your Shooting Questionnaire will be used for your gun entry permit and it will be carefully checked by the authorities on your arrival. To avoid delays, please be sure it is absolutely legible and accurate.

On departure, your Gun Permit Departure Form must be stamped by the police authority at the airport prior to your check in at the ticket counter for your flight home. Arrive to the airport in advance so as to be able to devote extra time for this procedure. Our Company will need a copy of this gun paper, so we will ask you to send us a copy by email at your arrival.

## **CUSTOMS AND FIREARMS REGISTRATION**

U.S. Customs has adopted more stringent regulations for checking firearms registration forms upon re-entry. We recommend that you pre-register each gun taken out of the country.

You should request U.S. Customs Form 4457-Certificate of Registration For Personal Effects Taken Abroad. This form can be attained at any U.S. Customs office before your trip by presenting your firearms for this procedure. This form, listing all guns, cameras, binoculars, etc., should be stapled in the back of your passport for ready reference. A copy should be carried in your gun case and a copy must be left at home. By following this procedure, you should experience no delay at U.S. Customs on return from an international shooting trip. This regulation applies only for re-entry to the U.S.

Europe - You should inform the airline prior to your travel date that you will be carrying shotguns and declare them when checking in for your flight. An airline official will escort you to a Customs post for gun registration and then hand-carry your guns to the plane. On return, you must retrieve your guns at the airline service desk in the baggage hall. An airline official will accompany you to the red channel, where your guns are registered with Customs as re-entering the country.

## BAGGAGE / GUN CASE RESTRICTIONS

Airline regulations permit two (2) checked bags which do not exceed 70 lbs. each and two carry-on pieces per passenger. Please check with your airline to confirm baggage regulations as they may vary.

## LAND PACKAGE INSURANCE

This package allows you to Cancel For Any Reason and receive a Future Credit. This land pack insurance provides trip cancellation coverage when you choose to cancel your trip for any reason. If you purchase this trip cancellation option when you make your trip deposit, you will receive full credit for a future trip. If the trip is cancelled within 72 hours from departure, this coverage provides full credit for a future trip on accommodations (extras at the lodge are not included). The cost of hunting licenses is NOT included in the insurance package.

**Note:** This insurance only covers the land package portion of the trip, i.e. deposit and final payments. It does not apply to any airline tickets, either international or domestic, en route hotel arrangements, special or pre-arranged land transfers, tours, etc. Available to be purchased at the same time the initial trip deposit is made. This Future Trip Credit is valid for 1 calendar year from date of cancellation.

## GROUND TRANSFER POLICY

Ground Transfers from Santa Fe city are not included. For transfers there will be a USD 95 surcharge (one way) per passenger. Round trip will be USD 190 per person.- \*Special rate per groups over 6 hunters

## GRATUITIES

Gratuities for lodge and field staff are not included in the shoot cost since we feel that tipping, in general, is discretionary. However, clients have asked that we provide general guidelines; therefore, we suggest:

USD 45/50 per shooter per day for you field assistant

USD 45/50 Guides and field staff.

USD 45/50 House staff.-

So the total suggested amount adds up to USD 135/150 per person per day

You are welcome to tip your field assistant directly; all other tips should be settled with the Company Manager when paying your final bill to the shooting Co.

## GENERAL INFORMATION

If you are interested in any additional information do not hesitate to contact us. We also recommend that you visit our website to find out about all our programs. [www.pointerwingshooting.com](http://www.pointerwingshooting.com)

Check our videos in vimeo: <https://vimeo.com/pointerwingshooting/videos>

Skype: [pointerwingshooting](https://www.skype.com/pointerwingshooting)

## CLIMATE

The shooting takes place during our winter time in San Javier, so clothing should be fleece jackets and coats in this season. Please check the section about gear for more details. The chart below lists average temperatures for the past few years. You may also wish to visit [www.accuweather.com](http://www.accuweather.com) to check our Santa Fe forecast.

## AVERAGE DAILY TEMPERATURE RANGE:

May 66°-38°F / 19- 4C

June 59°-32°F / 15- 0C

July 59°-37°F / 15- 3C

Aug 64°-34°F / 18- 1C

## CLOTHING & EQUIPMENT

**For the Field:** Shooting clothes should be green or brown; camouflage will be the most appropriate. Pack a sweater and a waterfowl cold weather jacket. A Men's midweight based layer bottoms and top. Men's silk base layer is also helpful (See table above for average temperatures.) A shooting Vests & shell bag will be good for the perdiz and dove shooting. At the lodge, Clothing is casual.

**Waders:** We recommend you bring your own wader. The best option will be a Gore-Tex camouflage one.

**Shoes:** Lightweight, ankle-height is all you need. Many shooters even wear sneakers. A Gore-Tex breathing shoe, like the Rocky Boot, is excellent. For the ducks you will wear waders.

**Gloves:** A great option for the duck hunt will be Cabelas-GORE-TEX 174-Thinsulate 8482 Deluxe II Shooting-Gloves. Sitka shooter gloves could be a nice choice for the dove & perdiz program.

**Other clothes:** Get a man cold-weather headwear. A polar neck. Lightweight hat for the perdiz & dove shooting.

## ACCESSORIES AND GEAR FOR THE FIELD

**SHOOTING SAFETY GLASSES OR SUN GLASSES :** they should serve as sunglasses and they should be shatterproof. The green or yellow protective glasses that can be worn over regular glasses are good. They have a small side panel, which protects against glare. They are available in many shooting sports suppliers.

**SOFT PROTECTIVE GUN CASE FOR DAILY USE :** This is optional, we can provide you with one.

**SHELL POUCH:** one that will hold a box or two of shells. It can also be a belt-type pouch or vest. This is important specially if you plan to load the gun yourself.

**SMALL FIELD BAG :** to carry camera gear and other personal items into the field.

**CAMERA:** The area is scenic and photographic possibilities abound. We also offer a private service by a professional photographer.

**BAND-AIDS OR TAPE:** for sore fingers from shooting.

## HEALTH

We suggest that you consult your physician for medical advice before your trip to Argentina. If your physician is not familiar with travel-related medicine, the CDC offers excellent, up-to-date information on health precautions for travelers by fax; call toll-free 888-232-3299 and follow the recorded instructions. You may also visit the CDC's Web site at [www.cdc.gov](http://www.cdc.gov).

## MEDICAL INSURANCE AND EVACUATION

As outlined above, our company strongly recommends you purchase both health and trip cancellation insurance. Once we have received the trip payment we are unable to make a refund in the instance of a cancellation.

Besides, Our Company values your safety. Although we do all we can to ensure our guests have a safe experience, unavoidable accidents do happen. For this reason, we strongly recommend that you purchase a Global Rescue membership. Global Rescue is a worldwide crisis response company that provides advisory services from in-house medical experts, field rescue from the point of illness or injury and evacuation to your home hospital of choice.

For standard travel insurance, we can recommend Travelex

**[www.travelexinsurance.com](http://www.travelexinsurance.com)**: +1-800-228-9792

For emergency medical evacuation, we can recommend Global Rescue

**<https://www.globalrescue.com>**: +1-800-381-9754 or +1-617-459-4200.

\*Please feel free to choose other Co of your preference; the ones above are just our recommendation

## ELECTRIC CURRENT

In Argentina the voltage used is **220v**. A standard converter and European adapter for two-pronged plug should work fine. There are standard US electric outlets in bathrooms and bedrooms. Most phones, notebooks, and accessories work from 110 to 240 volts. There is also Internet access.

## ALCOHOLIC BEVERAGE/ TOBACCO IMPORTATION

Two bottles of liquor and two cartons of cigarettes can be taken into Argentina duty-free. Our suggestion is that you purchase these at the airport before departure. If there is any special brand of liquor that you like we recommend that you purchase it at the duty free.

## IN AND OUT POLICY

**Check in:** We care about offering all our shooting guests a spotless room and excellent accommodation service along with great shooting. Therefore, we ask that "Check-In time" is 2 pm. We might be able to accommodate guests before that time if we have rooms available at your arrival.

**Check-Out** time is at 11am. We will be happy to accommodate a late check-out if the room is not needed later that day for other arriving guests. Every guest is offered a meal before their departure. Thank you for your understanding.

## VERY IMPORTANT - SAFETY

Even if guns are placed well apart with an eye to safety, in fields being harvested, there are often workers, farm animals in proximity, people on horseback or workers that will edge into a shooting area, assuming that guns are prudent and hunters will never shoot low. Be careful in your duck hunt blind, not to shoot low to your sides or behind; field assistant could be working on calling ducks.

You have to be aware of this at all time as well as to the position of other shooters and field crew. There is no excuse for taking a low-angle shot (below 40 degrees). Remember that in duck shooting blinds there is two shooters together, so be aware NOT to shoot over your friends head, or close by to him.

Don't take chances on low shot angles - ever!

Check guns to make sure they're unloaded every time you finish a shooting season. Recheck every time you give the gun to somebody else. Don't be offended if the guide or field assistant checks them again. Our policy is to be as safe as possible.

Magazine shotguns should be carried with the receiver open; uncased doubles always broken when walking in the field, or any time when not in shooting position. It is your decision to allow field assistants to shoot. They have vast experience in shooting and safety. They are good shooters.

If your assigned location is a little off the flock of birds' line, or you consider it is not good enough, make sure you let your guide know; they will move you to a different place.

You should always wear safety shooting glasses to protect your eyes. Protect your ears with plugs or ear protection. Do not shoot other birds than the species allow. Check with the guide if you are not sure in this issue.

## SPECIAL REQUEST

Our Company wishes to exceed your expectations, so if there is any special request, such as a particular drink you may want to enjoy during your shooting trip, please let us know in advance so as to check if it is available and we will send you an estimate budget. This specific request includes live music groups, professional photographer, professional film maker; or anything else you could think of.

## SPECIAL PROGRAMS

Our special programs are informed separately. Contact us for more details.
